

BELIEVE ME words & music S.Strodtbeck

Walk the streets, feeling lone & blue
Really don't know, what can I do
I feel helpless all-around
I'm searching for my peace of mind

So many people, they only tell you lies
Being too silly, to fall for these guys
I'm wide-eyed, and innocent too
Please help me up, 'course I don't know what to do

**It's like a nightmare you wake up
And you need friends, they say stop
They want your best and this is the truth
Believe me I know it better than you**

So I wanna tell you everywhere
Go you own way, and don't even care
I'm sure somebody is watching over you
And your own evaluation isn't cheating you
