

Pieces of my life

Time has come

(Lyrics/ Music Bärenz/ Strodtbeck)

Went through life such a long, long time,

Groping around in the dark almost blind

I tumbled and I stumbled

Many times, I have been crumbled

The time has come to wake up and rise

Look around and make a change

Pick up the pieces of my life

And get them rearranged

When I look back at all those years

All those dreams and doubts and fears

That came and went like the tide

Now there is nothing left to hide

The time has come to wake up and rise

Look around and make a change

Pick up the pieces of my life

And get them rearranged

Pieces of my life

Now all the cards lay on the table

And the fortune teller is long gone

The truth was anchored in the cradle

Now it will guide me to the tomb
